The purpose of the Agilent Early Career Professor Award is to:

- Promote and encourage excellent research enabling measurements of importance to Agilent Technologies and the world
- Establish strong collaborative relationships between Agilent researchers and leading professors early in their career
- Build the prominence of Agilent as a sponsor of university research

Self-nominations are encouraged.

Eligibility & Requirements:

- Significant original research contributions enabling measurements of importance to Agilent Technologies and the world
- Outstanding potential for future research
- Alignment with 2016 award topic: Contribution to the development of advanced Big Data technologies aimed at making breakthroughs in life science research and imaging for clinical diagnostics
- Professor completed Ph.D. or M.D. less than 10 years before January 1, 2016.

Internal Nomination Process:

Interested applicants should send the following documents in sequence in one PDF to resapp@jhu.edu no later than 4 p.m. on February 1, 2016:

1. JHU Limited Submission Cover Sheet
2. Summary of the nominee's qualifications and future directions (up to 1000 words)
3. A nomination letter (up to 500 words) (Self-nominations are encouraged)
4. Curriculum Vitae of nominee

Please do not include any proprietary information.

Each applicant should expect to receive a confirmation of receipt of their materials. If an applicant does not receive an acknowledgement, or has any questions, please contact the limited submissions office at resapp@jhu.edu.
