Sponsor: Mary Kay Foundation  
Program: Cancer Research Grant Program  
Estimated Award Amount: Up to $100,000 over two years (combined direct and indirect costs for the 2 year period)  
JHU Nomination Limit: 2 (1 SOM and 1 BSPH)  
For more detailed information: Mary Kay CRGP

The Foundation focuses on funding research for innovative grants for translational research in ovarian, uterine, breast or cervical cancer. Such research would lead to improvement in diagnosis, prognosis, prevention, or treatment of the cancers. Translational research is broadly defined as research that will provide a scientific link between laboratory research and the clinic.

Eligibility & Requirements:
- There are no restrictions as to faculty rank or length of time at a specific faculty rank
- Must be have a faculty appointment in either the SOM and/or BSPH
- U.S. Citizenship is NOT required
- Field - Translational Research in ovarian, uterine, breast, and cervical cancer

Internal Nomination Process:
Interested applicants should send the following documents in sequence in one PDF to resapp@jhu.edu no later than 4 p.m. on January 4, 2016:
1. JHU Limited Submission Cover Sheet  
2. Abstract (one page, double-spaced)  
3. Proposal (maximum of four pages of text only, single spaced: 12-pt font and one-inch margins)  
   (Note: figures, tables, and other reference material should not be included as text)  
4. Curriculum Vitae of investigator, including current external research support and publications  
5. Budget (two pages maximum)  
6. Letter of Recommendation from the Department Chair/Director  
   (Note: Letters of Recommendation can be submitted separately to resapp@jhu.edu stating applicant’s name in the subject line)

Each applicant should expect to receive a confirmation of receipt of their materials. If an applicant does not receive an acknowledgement, or has any questions, please contact the limited submissions office at resapp@jhu.edu.
