REQUEST FOR TARGET OF OPPORTUNITY (TOP) FACULTY SEARCH WAIVER

The faculty appointment process at Johns Hopkins University normally begins with a national (and often international) search for the best available person who fulfills the needs of the open position. Faculty search committees are required to engage in a rigorous effort to identify qualified women and minority candidates. Occasionally a department or school identifies a truly exceptional individual who would greatly enrich its faculty; e.g., by bringing uniquely outstanding scholarship and/or diversity to the department. In such "target of opportunity" cases, this request for a search waiver is appropriate.
