Recent economic distress and financial market turbulence that have raised big concerns for investors, consumers, policymakers and financial professionals alike will be addressed during this Carey Business School Finance Club's Distinguished Visiting Professor Lecture

The featured speaker is William G. Droms, the John J. Powers Jr. Professor of Finance at Georgetown University in Washington, D.C. He has authored books about finance and global investing, as well as published journal articles about risk tolerance, asset allocation, mutual fund performance, fiduciary responsibilities and hedging equity portfolios.
