Other Departmental Requirements:
 Public Health Studies majors may not double count 300-level courses for a second major or minor without specific permission of the Public Health Studies Adviser.

Please initial here to indicate you have read and understand these requirements: _____

Honors in Your Major

To graduate with honors in your major, you must complete an HONORS CLEARANCE CHECKLIST by April 1st in the year you expect to graduate in May. Most commonly, this means by April 1st of your senior year. Failure to submit this checklist by this date will mean that you will not receive honors in your major. You cannot complete the checklist before February 1st of the same year. Please note that these requirements are not related to “General University Honors.” General University Honors are automatically assigned to all students who graduate with a 3.5 or higher.

To receive Honors in Public Health Studies, you must have met the following criteria:

- Have a GPA in your major requirements of a 3.3 or higher.
- Complete senior thesis or research project under joint sponsorship of the Director of Public Health Studies and an approved faculty supervisor. Contact Dr. Kelly Gebo (kgebo@jhmi.edu).

To notify us that you are eligible for honors, you must:

1. Obtain an honors checklist by either downloading it from www.advising.jhu.edu or by picking one up in the Office of Academic Advising.
2. Complete the checklist after February 1st of your senior year and take it to: Dr. Kelly Gebo.
3. Return the signed checklist to the Office of Academic Advising by April 1st. You do not need to make an appointment to return the checklist, but it must be signed by the correct representative from your department or it will not be processed.

Distribution Requirements for Majors: These cannot include major requirements or courses.

The standard 30 credits outside of one’s field that, in most cases, are part of the university distributional requirements are not required for the public health studies major. Nevertheless, the following university requirements do apply.

University Requirements:

Course No. and Title	Completed	In Progress	To be Done
