**Prohibition on Registering for Courses that Meet at the Same Time**
Registering for two classes that meet at the same time or overlapping times is \textbf{not permitted} except as a temporary measure during the first weeks of the semester when students are still deciding on which classes to take. By the end of the first two weeks of classes, students must address time conflicts in their schedules. [Policy located at \texttt{http://e-catalog.jhu.edu/undergrad-students/academic-policies/registration-policies/#restrictiontext}]

**REGISTRATION PREPARATION**—complete all of the following prior to Monday, April 6\textsuperscript{th}

1. Check ISIS for Students to see if you have holds. If you see the word “Alerts” in red above the toolbar, click to see what is required to release the hold(s). \textbf{Once you have completed what is required, the alert disappears the next time you log back into ISIS for Students.}
