UNDERGRADUATE SATISFACTORY/UNSATISFACTORY GRADING

For any enrolled course, the "Y" in the S/U column on the Registration > My Class Schedule screen means "yes" indicating that you have selected the S/U option for that course.

On your Registration > My Grades screen, and on the grade roster, the listed grade system is "Undergrad Letter". Your instructor does not know that you are taking the course as satisfactory/unsatisfactory and your grade will be converted to S or U when graded.

On your Registration > My Grades screen, if the listed grade system is "Ugrad S/U", this course is only offered for S/U credit.
