Approval for study abroad is contingent upon maintaining good academic and disciplinary standing at Johns Hopkins
University. As per both Johns Hopkins University and St. Anne’s College Oxford eligibility criteria, you must have a
cumulative GPA of 3.7 at the time of application and maintain a minimum 3.7 GPA until the start of the program.
Should your academic or disciplinary status change prior to departure, please contact the Office of Study Abroad
immediately.

To ensure that I meet these requirements, the Office of Study Abroad will review my academic record and request a
review of my disciplinary record through the Office of Student Affairs. I am aware that if my record indicates a decline in
my GPA below 3.7 or disciplinary sanction prior to departure, I may be withdrawn from the program.

I am responsible for sharing policies regarding enrollment, registration, cost, billing and credit with my parent or
guardian.
