CHALLENGES TO PARENTING

>F_FCINA<

The Child and Family Well-Being Study, conducted by Harvard University, Johns Hopkins University, the University of Chicago, and the University of Texas, deals with the well-being of our nation's children and families. Parents in Boston, San Antonio, and Chicago are being asked to participate in this important study.

>F_FCINB<

During this interview, we will ask you about your relationship with [CHILD] and others, about your feelings about parenting and life more generally. All answers will be kept in the strictest confidence, and you may decline to answer any question you wish. The whole interview will take approximately 60 minutes.

>F_FCINC<

I'd like to start off by asking you some questions about your experiences as a parent and your views of fatherhood. First, please tell me how many biological children you have.

NUMBER _____

>F_FC1<

These first statements are about how you feel about being a parent. Please use Card FC-1 to let me know how much you agree or disagree with the following statements.
