Sponsor: Edward Mallinckrodt, Jr. Foundation  
Program: Edward Mallinckrodt, Jr. Foundation Research Grants  
Estimated Award Amount: $180,000 over 3 years  
JHU Nomination Limit: 1  
For more detailed information: EMF Research Grants

The mission of the Foundation is to support early stage investigators engaged in basic biomedical research that has the potential to significantly advance the understanding, diagnosis or treatment of disease.

The funds are designed to provide to tenure track faculty members at American Institutions who hold M.D. and/or Ph.D. degrees start-up support to move the project forward to the point where R01 or other independent funding can be obtained.

The Foundation is most interested in basic research with upstream potential for impacting disease. The intent of the sponsor is to support highly promising young investigators at the time when start-up funds are limited. If a candidate has significant funding, such as a foundation career development award, it will lessen the chances for an award from the Foundation.

Eligibility & Requirements:

- Applicants should be in the first to fourth year of their tenure track faculty position and not have current R01 funding.
- Instructors, clinical instructor, and clinical educator line faculty are not eligible.
- It is not the intent to support projects that are already underway and are already receiving significant grant support to provide long-range funding beyond an initial 3-year period of support.

Internal Nomination Process:

Interested applicants should send the following documents in sequence in one PDF to resapp@jhu.edu no later than 4 p.m. on June 15, 2016:

1. JHU Limited Submission Cover Sheet  
2. Abstract (one page, double-spaced)  
3. Proposal (maximum of four pages of text only, single spaced: 12-pt font and one-inch margins)  
   (Note: figures, tables, and other reference material should not be included as text)  
4. Curriculum Vitae of investigator, including current external research support and publications  
5. Budget (two pages maximum)  
6. Letter of Recommendation from the Department Chair/Director. Letters of Recommendation can be submitted separately to resapp@jhu.edu stating the applicant’s name in the subject line.

Each applicant should expect to receive a confirmation of receipt of their materials. If an applicant does not receive an acknowledgement, or has any questions, please contact Brittany McMahon via resapp@jhu.edu.

Previous Grantees:
Dr. James J.D. Hsieh (2005); Dr. Elizabeth Chen (2005)
